

## Microsoft Small/Medium Business Solutions

Saudi Fanks delivers expert Microsoft Solutions. Microsoft Solutions should be the heart of your business operations, driving critical activities. Every day, you share information and communicate with employees, customers, partners, and suppliers. You can rely on Saudi Fanks to provide planning, migration and installation processes for your Microsoft Solution needs.

Focused on helping ensure maximum value for your IT investments. Our services has the experience and capabilities you need to develop, build, integrate, manage, and evolve your Business Microsoft Applications with greater speed and ease. Regardless of your business application, our goal is the same: to help you solve business problems, not just deploy new technologies, as you seek to improve your business agility.

Whether you're trying to design a Microsoft solution for your business or your software is on the blink, Our experienced engineers and technicians can help. Microsoft provides an array of software to fill your business needs like:

- ★ - Microsoft Windows XP
- ★ - Microsoft Windows Vista
- ★ - Microsoft Windows 7
- ★ - Microsoft Office
- ★ - Microsoft Small Business Server
- ★ - Microsoft 2003 & 2008 Advance Server
- ★ - Microsoft SharePoint Services
- ★ - Microsoft Exchange Server
- ★ - Microsoft Office Outlook
- ★ - Microsoft Shared Fax Service
- ★ - Microsoft Routing and Remote Access Services (RRAS)
- ★ - Microsoft ISA Server Technology
- ★ - Microsoft SQL Server

Many businesses overlook certain features Microsoft software can provide. Let us help you utilize your software - a key to increasing the productivity and efficiency of your company.
